DANIELS MADE PUBLIC GO TO EVELYN'S BOY READY FOR ANY JOB

Admiral's Letter That the Secretary Refused to Produce Says United States Navy Is Unprepared—Danger for Five Years Pointed Out.

Washington. April 22.—Secretary Daniels transmitted to the Senate to-day the much discussed communication from Rear Admiral Bradley A. Fiske, dated and the naval reserve is to place dependence on the naval militia and the naval reserve is to place dependence on the naval reasonable ex-November 9, 1914, warning the Secretary pendence on hope, not reasonable exthat the havy was unprepared for war. | pectation. The communication was sent to the Senate in response to the Lodge resolution adopted April 12, calling on Secre-10,000 LOYAL YAQUIS tary Daniels to submit a letter from the Navy General Board, dated August 3, if we could expect reasonably to get a naval reserve in the future the fact reasonably and a communication from Rear mains that we want enlisted men right now. To-man the ships which should Withdrawal of U. S. Sol- Representative Britten asked Mr. Daniels to produce them during the latter's ex-amination before the House Naval Com-mittee and the Secretary refused. Search at the Navy Department has now failed to disclose the letter from the

leneral Board. "If this country avoids war during the next five years it will be accom-plished only by a happy combination of high diplomatic skill and rare good for-EXPECTED HOURLY tune," was the Admiral's solemn opinio formally expressed to the Secretary of the Navy.

ships, he said, were well organized and "pretty well drilled." The Navy Department itself he characterized as neither organized nor drilled in a mili-"neither organized nor drilled in a mili-tary way." The failure of Secretary Daniels to give serious heed to this warning is expected to be discussed ex-tensively in Congress. The letter follows: "From Aide for Operations. "To Secretary of the Navy. Subtest: The navy, unprensideness.

Subject: The navy's unpreparedness

gently, to request the attention of the Secretary to the fact that the United navy is unprepared for war true that nothing could be more than for the country or the navy civilized world has been plunged. It is true that there is no cause for excite-ment, and it is also true that even the

country at any given time.
It is also true, however, that the absence of actual certainty of cominduces wise people to guard their families against it by vaccination. They do not expect to be attacked by smallpox, but nevertheless they think it wise to
